- RFS Miss Balsam B119 is a powerful, solid black, TNT Axis female. She really represents the type of female we admire. Her dam is a wonderful Lucky Dice cow that has produced eight exceptional calves. All of her progeny have been retained in our herd or offered in our annual production sale. Her In Sure bull calf will be a good one. If we did not believe in offering our best, we would keep this gal in our herd.

***Sale Manager's Note:*** Lot 23 died on the ice, so Rydeen's are substituting this lot for her.
